Bradley has an adult criminal history that began at the age of 24 and includes convictions possession of controlled substance, cruelty to child, witness / victim intimidation, possession of obscene matter depicting a minor in a sexual act and false identification to peace officer. Harris has served multiple state prison terms, the longest a four (4) year term for cruelty to child. Bradley was released from state prison to the supervision of the Los Angeles County Probation Department on July 17, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2013 after Bradley absconded from post release community supervision (PRCS). Bradley qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for cruelty to child is defined as non-serious and non-violent under the California penal code. Bradley is required to register as a sex offender pursuant to PC290. Bradley is a member of the "Original 138 Blood Gang" with a moniker of "B-Rider". His prior criminal history, gang membership and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
